

# OFGS Academic Scholarship and Extension Program Eligibility Test - Year 7 2020

The Oxford Falls Grammar School (OFGS) Board provides scholarships for students of outstanding academic ability entering Year 7, whether they have undertaken Junior School at OFGS or elsewhere.

OFGS has a robust academic program and a contemporary focus on 21st century learning. Our educational strategies focus on the individual student, fostering critical thinking, curiosity and a love of learning. Each student's learning experience is rich, challenging and promotes their intellectual, social, emotional and spiritual growth. OFGS offers extensive co-curricular activities along with leadership opportunities. Students are encouraged to take advantage of programs such as music, dance and sport. A scholarship at OFGS is a symbolic representation of our culture of generosity as we develop young men and women of great character, attitude and purpose.

## ACADEMIC SCHOLARSHIP CRITERIA

Scholarship recipients demonstrate an ongoing, exemplary approach to learning and a high level of academic performance and engagement. They are committed to participation in areas of the school co-curricular program that align with their strengths, particularly enrichment opportunities, and demonstrate consistently high standards of citizenship. All scholarships are provided up to and including Year 12, conditional upon the recipients continuing to meet the scholarship criteria.

## EXTENSION PROGRAM

In the Senior School, OFGS provides an Extension Program from Year 7. A multi-pronged approach to the selection of students for this Extension Program includes consideration of students' results in the Scholarship / Extension Program Eligibility Test.
